

BIOGRAPHY

With more than 15 years of experience, LOIC LENA is an essential DJ on the French Riviera, performing from Nice to Monaco, via Cannes. Known for his dynamic sets mixing house, EDM and tech house, he knows how to create a unique energy that captivates both local and international audiences.

Passionate about sharing his music, LOIC LENA maintains a strong bond with his audience through his live performances. By preparing the release of his first musical productions, he aims to bring his signature sound to an even wider audience and to establish himself as an emerging producer on the electronic scene.
